

God's Creation

God the Creator is always with us. He is always caring for us and for every part of creation.

Make a Bible booklet that reminds you of how God cares for his creation.

1. Write your name on the front page.
2. Write one Bible sentence from the list at right on each of the other pages.
3. Decorate the pages. Ask your teacher to staple the pages for you.
4. Use the booklet to remember God's loving care.

How to use your Bible booklet:

- Read one page. Close the book.
- Listen to what God has done for you.
- Thank God for his gifts.

God created people in his image.

God gave people the world to care for.

God clothes the fields with beautiful wild flowers.

Your Father in Heaven knows everything you need.

God made the earth and sky and sea.

God saw that everything he made was very good.
