Resurrection Diorama

The Resurrection is the heart of the Church's faith in Jesus. You can make a Resurrection diorama scene which shows the Resurrection of Jesus.

1. Color each of the people and props on this page.
2. Cut them out and tape each one to a popsicle stick.
3. Use a shoebox with a lid. Have your teacher or other adult help you make slits in the lid of a shoe box where you can arrange your scene. You can also decorate the box.
