### Pastoral Planning Task Force Update

The Charlotte/Greece/Hilton Pastoral Planning Task Force met on April 22. Work continued on preparing a recommendation for the Bishop:

We agreed to add to the last draft more complete information about the accomplishments and the activities of the 7-parish committees (evangelization, shared website, vocations).

The central component of the recommendation will be the wisdom of the 7 parishes regarding how we can best handle what we know is coming--which clusters make the most sense to us if/when there is future clustering because of a lack of sufficient number of priests/pastoral leaders. That situation (a trigger event leading to a change) could arise with priest retirements, health issues, or needs elsewhere in the diocese.

There was a lengthy discussion about the increasing demands being put on clergy as more and more parishes are clustered or merged. Work on the recommendation will continue over the summer, and two dates to get input were set: Pastoral Councils and Finance Councils on 10/15 and Parishioners on 11/12. The complete task force minutes are available on the Roc Catholics Northwest website: [ROC Catholics Northwest](http://www.roccatholicsnorthwest.org) or <https://www.roccatholicsnorthwest.org>
